

## Audition Sides - King, Prince, Herald

HERALD  
Your Highness?

QUEEN  
Christopher?

*The PRINCE re-enters slowly, carrying the evening slipper made of glass.*

---

**BEGIN** KING  
What happened, son?

PRINCE  
I don't know. We were talking and suddenly she ran away.  
*(indicating the slipper)*  
She didn't even stop when her shoe fell off. Dad, I've just got to find her.

KING  
We will, son, we will.

PRINCE  
*(a sudden thought)*  
Sir, may I send the Herald through the kingdom in search of her?

KING  
Of course.

PRINCE  
*(handing the slipper to the HERALD)*  
See that this slipper is tried on every young maiden in the kingdom – every last one no matter how unlikely. Keep trying until you find the foot that fits that slipper. Do you understand?

HERALD  
Yes, Your Highness!

PRINCE  
Find that girl!

**END**
